

WE NEED YOUR HELP!

OCES and Meals on Wheels needs your help to ensure that residents throughout Plymouth County have access to proper nutrition. Meals are delivered Monday through Friday mornings to the residences of homebound adults in your community. This program needs volunteers to deliver meals in order to be successful. Our Meal Site Managers will work with you to deliver meals in your geographic preference and provide you with personal protective equipment.

Safety is our #1 Priority

DONATE:

Face Masks, Gloves, Hand Sanitizers or contribute to our Emergency Fund online.

VOLUNTEER:

Join our Meals on Wheels Volunteer Team. Contact Courtney for more information.
